# “Green Conventions” Assuming responsibility and creating sustainability!

Seminars and congresses in Carinthia not only  
pave the way forward for businesses as well as  
their employees and customers, but also for the  
generations to come

# Opportunities for sustainability

Assuming social responsibility represents a competitive advantage and enhances a company's reputation.

## Corporate operations with added value

Successful companies create value in many ways. One particularly valuable form: Doing something good for others.

World championship introduction in the sport of billiards. 50% of the proceeds from cue sales go in equal parts to "children's cancer aid" and "youth sports development"
