

# Opening steps from 1 July

From 01 July 2021, the following easing measures will generally apply:

- Admission to hotels/restaurants/events/leisure facilities if tested, recovered or vaccinated (3G rule).
- There is no longer a minimum distance and capacity restrictions
- No mask requirement for guests if they are tested, recovered or vaccinated (3G rule).
- From 22 July, the registration requirements will also be cancelled.

## **Gastronomy and hotel business**

- No closing hours in the gastronomy sector.
- For night-time gastronomy, almost all restrictions will also be cancelled as of 1 July (a capacity restriction of 75% will remain until 22 July). This restriction does not apply if it is a registered or approved event

## **Events**

- No capacity limits for events - either standing or seated
- The 3 G's (tested, recovered or vaccinated) are only to be complied with from 100 persons upwards.
- Weddings possible again

\*Until 01 July, the protective measures as described on this website apply.
